Press Release:

January 26, 2023, Aligarh: On the occasion of Republic Day of India, Glafims Association has released the first issue of its online version of Scientific Medical Journal titled "International Journal of Medical Justice, IJMJ". GLAFIMS Association is abbreviation of the Global Academy of Forensic and Investigative Medicine and Science. This is a collection of people involved in Forensic Medicine, Forensic Sciences, Investigative Forensic Medicine, Law Persons, Investigative Authorities and Persons, Forensic Pathologists and allied sciences. The Main aim of the association is to collaborate and cooperate with each other for the academic and professional development by enhancing mutual interactions. GLAFIMS Association is a registered with Government of India and collaborated with FORUM LEX ASSOCIATION, ITALY. Professor Mukesh Yadav, President, Indian Academy of Forensic Medicine and Principal of Rani Durgavati Medical College, Banda was the chief guest for the occasion. The occasion was held online on website. Addressing the audience Professor Yadav emphasized the need of good quality of scientific medical publications. He also appreciated the efforts of Editorial Team in bringing the journal on the said platform. Dr Parmod Goyal the editor of the journal mentioned that in online platform of International Journal of Medical Justice, IJMJ there is provision of that all the editorial process from submission to publication of final content is done on live website [<https://www.ijmj.net>] facilitating participation from global audiences. Dr Suraj Sundaragiri, presented the vote of thanks. All the participants congratulated each other on the occasion of Indian Republic Day. President
